

Your Home. Your Investment. Our Expertise.

The Everyday Standard.

You Have One Roof. It Deserves One Standard.

Columbus Roofing Company is not a roofing contractor. We are wealth protectors.

Your roof is not just shingles and nails — it is the shield over your family's greatest asset. We treat it that way.

Every decision we make — from the materials we select to the systems we follow — is designed to protect what matters most to you: your home, your equity, and your family's security.

WHY CRC IS DIFFERENT

- GAF Master Elite Contractor — Top 2% of roofers nationally
- GAF Contractor Number G09361
- Ohio License HIC-L00838
- HAAG Certified Inspection Protocol
- Foster the Future — giving back with every job
- Proprietary DCSI insurance claims system
- Columbus-based team — local accountability

Two Paths. One Standard.

INSURANCE CLAIMS

Your Carrier Works for Them. We Work for You.

We manage your entire insurance claim. From inspection to approval to installation. You pay your deductible. We handle everything else.

- HAAG certified inspection protocol
- Xactimate scope preparation
- Supplement negotiation
- Adjuster meeting representation
- Ohio matching law enforcement
- Full carrier communication

RETAIL REPLACEMENT

When You Are Ready to Invest in Your Home.

No insurance claim? No problem. We build the same premium product for homeowners who want to invest in their property the right way.

- Financing available — 0% options
- Same GAF Master Elite quality
- Same CRC process and warranty
- Good / Better / Best options
- Premium materials and installation
- Full warranty protection

Our Process

1

Free Inspection

Comprehensive roof assessment using HAAG-certified protocol. We document everything.

2

Storm Documentation

If storm damage exists, we create a complete evidence package with photos, measurements, and test squares.

3

Claim Filing Guidance

We walk you through the claims process step by step. You are never alone in this.

4

Adjuster Meeting

CRC is present at your adjuster inspection. We ensure nothing gets missed.

5

Scope Review & Supplement

We review the carrier's estimate line by line and supplement for any missing items.

6

Material Selection

Choose your colors and system level. We show you options on your actual home.

7

Installation Day

Professional crew, CRC quality standards, full site protection and cleanup.

8

Final Walkthrough & Warranty

QC inspection, warranty registration, and your new roof is officially protected.

No Reason to Wait. No Reason to Worry.

Protecting your home should never be delayed because of budget. That is why we offer flexible financing options designed to fit your financial situation.

- 0% financing options available on qualifying systems
- Monthly payment plans that fit your budget
- We work with all credit profiles
- Same-day approval in many cases
- No prepayment penalties
- Apply in minutes from your phone

Your home. Protected now.

Foster the Future

CRC believes that building roofs is only part of our responsibility. Building community is the rest.

Every job completed by Columbus Roofing Company contributes to Foster the Future — our commitment to giving back to the Columbus community.

HOW WE GIVE BACK

- Roofs for families in need — partnering with local organizations to provide free roof replacements for families who cannot afford them
- Scholarships for Columbus students — investing in the next generation of leaders and builders
- Veteran housing support — priority service for military families
- Community storm response — rapid response for neighborhoods hit by severe weather

Building more than roofs.
